South Carolina Virtual Charter School (SCVCS) is a public virtual charter school serving students in grades K-12. SCVCS opened in 2008-2009 and has successfully completed its seventh year of operation. SCVCS offers a robust and challenging curriculum to K-12 students throughout the state. All courses meet state and national standards while providing a degree of flexibility to meet the individual student's learning style. In the Spring of 2013, the South Carolina Public Charter School District approved the charter renewal for SCVCS for the next ten (10) years. SCVCS provides online course and class work. All classes are taught online by fully-certified, highly-qualified, experienced educators. Approximately 3,800 students were enrolled with SCVCS in 2014-2015. Learning coaches, parents and students conference regularly via Elluminate, telephone calls, and K-Mail, our secure internal messaging system. Students are able to enjoy social outings, field trips and book buddies throughout the year. Over 2000 students were enrolled in grades K-8. Students in grades K-8 enjoy a wide range of academic courses as well as electives such as Art, Music, and PE. Students in grades 3-8 are also able to enroll in a World Language course. Over 1,800 students were enrolled in SCVCS high school in 2014-2015. Courses are offered on a traditional year-long, 180 day schedule as well as a semester block schedule. Students are able to choose from a variety of college preparatory, advanced placement and honors courses. The SCVCS Freshman Academy was fully implemented in 2010-2011. SCVCS had the largest graduating class in 2015 held with 226 seniors earning diplomas. The class had over \$4,600,000 in scholarship offers, with eleven Palmetto Fellows scholar nominees. Seventy-two graduating seniors qualified for the Life scholarship. All students participate in the state testing, taking Aspire, PASS, ACT, Work Keys and End of Course Assessment. SCVCS students have performed well on all state testing. PSAT is also offered to qualifying students. More information about SCVCS can be obtained by contacting our school office. Our focus is to provide a high quality educational opportunity to ensure the academic success of our young people. L. Cherry Daniel, Head of School Peggy Hogan, Chair, SCVCS Board

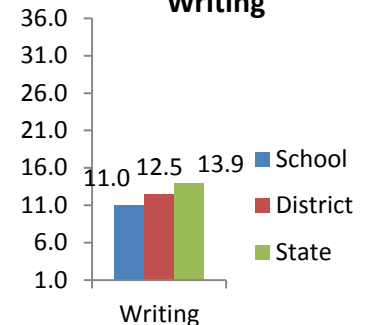

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
